1971-1972

SPRING SEMESTER SENIOR PRE-REGISTRATION

GENERAL INFORMATION

1. Senior pre-registration will be conducted in two phases. The first phase will involve materials distribution, advisement, and materials collection. This phase will take place on a schedule during the period December 8 through December 14, 1971. The second phase will involve bill payment, issuance of Schedules, and other related activities. This phase will take place during the period January 17 through January 20, 1972.
2. Distribution of materials for pre-registration will be made by the College Deans according to the schedule.
3. A student is eligible if he is an undergraduate who was enrolled in Fall 1971 Semester in the day division and if he had *completed 87 or more semester hours applicable to his degree as of September 1, 1971*. The dean may add others to this category if the student will graduate in June 1972 or in August 1972. Distribution of materials will be made *only* to those students authorized to register during the period December 8 through December 14.
4. Pre-registration, although voluntary, is strongly urged for all eligible students.

*A Maryland teacher is defined for assessment purposes as any full-time professional employee of a school or college located in the State of Maryland and accredited by the State Department of Education. The teacher must be currently under contract or on official leave for the purpose of taking full-time graduate work at the University of Maryland. Teachers enrolling in the Summer Session will be considered as being currently under contract provided that they have a valid contract for the academic year immediately following the Summer Session. Contract status must be established anew at each registration by the submission of a letter, or other appropriate document, provided by the Board of Education of the city or county or principal officer of the school or college in which the teacher is employed. *If the letter or document is needed by the teacher for other purposes, he must supply a photocopy which will be retained by the registration clerk.* The necessary letter, document or photocopy must be provided at the time of registration.

UNIVERSITY COLLEGE REGISTRATIONS

A student who wishes to enroll in a course offered by University College in addition to his other courses should obtain written permission from his Dean. To register for a University College course, report to the University College Representatives in the Armory to complete the necessary forms. The fees charged for University College courses in addition to regular on-campus fees are:

Undergraduate students.....	\$22.00 per credit
Graduate students (Maryland Resident).....	\$38.00 per credit
Graduate students (Non-Resident).....	\$48.00 per credit
Graduate students (Maryland Teacher).....	\$34.00 per credit

(This fee will be discontinued for the academic year 1972-73)

A student who wishes to enroll *only* in courses offered by University College should not fill out the regular on-campus registration materials distributed at Cole Activities Building and Preinkert Field House. The student should obtain written permission from his Dean to take U.C. courses and register for the courses according to the time sequence published in the University College Schedule of Classes. U.C. Schedule of Classes are available in the Adult Education Center, at University Boulevard and Adelphi Road in College Park.

Courses taken in University College or at another institution concurrent with regular registration on the campus at the University may not be credited without approval in advance by the dean of the college from which the student expects a degree. The same rule applies in summer school to off-campus registrations or registrations in the summer school of another institution.

BALTIMORE PROFESSIONAL SCHOOL REGISTRATIONS

Students must register through the Baltimore Office of the Registrar for all courses offered by the Schools and Colleges on the Baltimore Campus. Whenever a student carries courses both at Baltimore and at College Park, two registrations are required.

PASS-FAIL COURSES

Courses approved for Pass-Fail by the student's Dean and advisor must be appropriately marked (P/F) on all copies of the course card. No more than one course a semester may be taken for Pass-Fail credit.

Selection for Pass-Fail courses is limited to free elective courses. Courses used to fulfill requirements for a major or field of concentration, specific courses designated as degree requirements or the general education program should not be selected for Pass-Fail credit.

Courses not marked Pass-Fail (P/F) in the Schedule of Classes are specifically excluded from the Pass-Fail grading option by the department offering the course.

Changes from Pass-Fail to a regular grade or from a regular grade to Pass-Fail may not be made after the first week of classes.

Additional information regarding the Pass-Fail option can be found in the General and Academic Regulations.

FOREIGN LANGUAGE PLACEMENT

ARTS AND SCIENCES REQUIREMENTS: If a student has had three years of one foreign language or two years each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign languages in the college, although he may elect to do so.

FRENCH DEPARTMENT: Placement tests are required for all students planning to continue French studies begun in high school except those who have had less than two years' French in high school or who have not studied French for a period of five years or more. Such students may enroll in French 111 for credit and are not required to take the placement test. Transfer students who have studied French in college should continue on the level to which their previous college study entitles them and should not take the placement test. The results of the placement test are binding.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam.

HEBREW DEPARTMENT: Students who have never studied Hebrew, or who have little knowledge beyond reading and writing, may register for Elementary Hebrew without taking a placement exam. Students who have studied Hebrew in a Hebrew high school, in Israel, or at another university are required to take the placement exam. On questions of placement above the Hebrew 301 level, students should consult Professor Samuel Iwry.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain as to their ability to take Span 401, or (2) they wish to be exempted from Span 401.

EXAM PLACEMENT

French, German and Spanish students placing in Language 113 must complete Language 113, 114, 115 to satisfy the Arts and Sciences language requirements. Students placing in Language 114 must complete Language 114 and 115. Students placing in Language 115 are required to take Language 115 only. Students placing above Language 115, or who have taken the equivalent of Language 115 at another institution, are deemed to have satisfied the language requirement.

French students placing below French 113 are required to audit French 000 before continuing with French 112, French 114 and French 115.

German students placing below German 113 are required to audit German 000 and German 112 before continuing with German 114 and German 115.

EXAM SCHEDULE

Registration week testing: January 31 and February 1, 1972 — 8:00 a.m. Skinner Auditorium. No requests for testing are needed for admission on these dates but students **MUST HAVE** a picture I.D. French, German, Hebrew and Spanish placement testing will be offered.

During the Spring 1972 semester there will be placement testing in Room 2 Shoemaker Building. To be admitted, students **MUST HAVE** a Request for Testing from the Language Department and a picture I.D. Testing will be done at 3:00 p.m. on the 2nd Friday of each month.

COURSE NUMBERING SYSTEM

The University has adopted a new course numbering system which goes into effect with the Summer School of 1971. A course number will designate academic level as follows:

000-099	non-credit course
100-199	primarily freshman course
200-299	primarily sophomore course
300-399	junior and senior course not acceptable for credit toward graduate degrees
400-499	junior and senior course acceptable for credit toward some graduate degrees

500-599	professional school course (Dentistry, Law, Medicine) or post-baccalaureate course
600-899	course restricted to graduate students
799	Masters thesis credit
899	Doctoral thesis credit

Courses in this schedule are listed according to the new numbering system. Each course's former number is indicated on the course title line between the slashes //.

COURSE LISTING INFORMATION

Course listings appear on the following pages. At the top of each page appear the appropriate headings for each column. The course's old number under the former numbering system appears between the slashes on the same line as the course title. A sample below indicates the relationship among the items in each column. Times of the day are in relation to 8 A.M., at which time the earliest class begins.

PARKING

Casual visitors, without permits, may park in those parking areas adjacent to major buildings which are clearly marked for visitors. Metered parking is also available around the Student Union and in parking areas L (Administration Buildings), DD Computer and Space Sciences Centers and in areas KK and T (Engineering Sciences Complex). Visitors participating in University sponsored special activities may through special arrangement with the Campus Police, be assigned temporary parking places.
